- 10-Once the candidate account is activated, the parent account will receive an email informed about the successful activation and will not be able to create any further registration.

Dear BtoC Test

Please note that according to our records dssdds sddsds is now an adult and therefore will be able to process registrations for school exams without the consent of a parent/guardian.

A separate account has been created for dssdds sddsds, with all the existing and previous registration details transferred to it. You will no longer be able to access the details through your account.

We hope you find this information useful and take the opportunity to thank you for having used our services.

Best wishes,
