I have entered on this form. I also understand that the British Council is not responsible for reserving any clash papers between/of two different boards. I understand my obligation to report for any morning or afternoon examination paper at least half an hour before the scheduled examination start time as is required by British Council administrative arrangements.

The British Council reserves the right to disallow me to take the examination if they are not satisfied with the identification produced at the time of examination. I have not made an exam registration at any other centre for the same exam board for current exam series. I have read and understood the Registration Information Manual of the examination series.

Kind regards
