

LEARNING TIME
WITH
TIMMY

Welcome Pack

Your child's course

The health and safety of our students and teachers is important to us.

A reminder that in the event the situation changes, and we are instructed to suspend face-to-face classes in line with government guidelines, we will immediately move online.

Learning Time with Timmy has been designed to be fun and engaging for your child. Our approach to learning nurtures your child's creativity, critical thinking and social skills as they learn English. It boosts their self-confidence, helps them develop communication skills and good pronunciation.

Your child's first encounters with language are precious moments that you will

remember forever. At the British Council, we help you and your child to discover English for the first time at the best time.

Encouraging your child to learn English at this age brings so many benefits. It improves their language skills and it allows their personality to shine.

Your child will enjoy learning English through stories, videos, songs, movement, drama, arts and crafts, and much more.

It is proven we are more likely to remember information when it is told to us as a story. That's why Timmy's stories are at the heart of our learning experience. They allow your child to learn and remember new words in context. Timmy and his friends will capture your child's imagination allowing them to form emotional bonds with the characters. This connection will deepen your child's engagement in the learning process.

Your child's happy memories of the experience will help them to build a stronger foundation in English and a positive attitude to learning.

Learning Time with Timmy includes English language courses, and an online series available on YouTube and TV to help your child to develop and become a confident learner of English.

Course duration:

Pups
45 minutes x 3
days a week

Ducks and
Owls One hour
15 minutes x 1
day a week

To further enhance the learning experience, our young learner classes are limited to a small group. This gives us the opportunity to spend more time with each student and maximise teacher and student interaction.

Free activities

In addition to your child's course, we have optional fun activities exclusively for our Young Learners.

These include sessions like storytelling, arts and crafts and keep fit.

We will send you regular updates of what's in store for your child.

Safeguarding

British Council takes everyone's safety and wellbeing very seriously. We have a Safeguarding Policy describing the measures that we are making to keep all the children and adults safe. Everyone coming into our contact has the right to be protected from harm and abuse. Your child's safety is very important to us hence to keep your child safe while they learn online or in our classrooms, we are working with our global safeguarding team to put safeguarding measures in place.

Safeguarding is everybody's responsibility so that please support us by reading through our code of conduct and parent guide. For further details on our safeguarding policy, [click here](#)

Our inclusion policy

Every child is important to us and we want them to feel comfortable and welcome in our classes. Please [click here](#) to view our inclusion policy that looks at how we can make our centres welcoming and easy to use for as many people as possible, especially people who are disabled or have special educational needs.

Raising concerns

Please tell us if you see or experience behaviour or actions

at the British Council which you feel:

- **affect the safety of children or vulnerable adults**
- **may be fraudulent**
- **are harassment.**

The British Council is working with Safecall to provide an independent and confidential way to report your concerns.

Safecall will take reports in confidence and you may remain anonymous if you wish.

**Report online at
www.safecall.co.uk/report**

Please note that it is mandatory that you have your parent card when picking up your child from the British Council.

Photo images on the phone will not be accepted as valid proof.

Our Customer Service team will be happy to help you with any further assistance you may need.
