Youth Connect

Inclusive Economic Empowerment

Green Pathways for Youth
in Sri Lanka's Blue-Green Economy

CALL FOR APPLICATIONS

Youth Connect: Inclusive Economic Empowerment (IEE)

Preparing young people for employment and enterprise opportunities in Sri Lanka's emerging Blue-Green Economy

- Are you between 18 – 35 years old?
- Do you want to build a career, start a business, or contribute to a more sustainable future?

The **Green Pathways** project supports young people to develop the skills, knowledge, networks and practical experience needed to succeed in Sri Lanka's growing blue-green economy.

What will you gain?

- Exposure to opportunities in the blue-green economy
- Practical skills for employment or entrepreneurship
- Mentoring and advisory support
- Access to networks, industry insights and guidance
- Support to transition towards decent employment or sustainable enterprise development

Application deadline: 30 November 2026

Applications will be reviewed on a rolling basis. Early applications are encouraged.

Apply now: Scan the QR code

The British Council does not charge a fee at any point of the application and training process and we place a strong emphasis on inclusive participation. We encourage applications from young women, young people with disabilities and youth from underrepresented communities.
