

**Warning!
Cheating
is not
tolerated**

A range of security measures are in place to prevent and detect cheating

Cheating is engaging in any form of malpractice with the aim of gaining an unfair personal advantage through dishonest means.

Do not waste your money or risk your future by attempting to cheat.

Do not trust anyone trying to sell IELTS results.

If you cheat...

- your IELTS result will be cancelled
- you are risking your visa application
- any applications you have made to educational institutions or employers are likely to be rejected

IELTS protects genuine test takers and the organisations that accept IELTS results. Report suspected scams to IELTS.investigations@britishcouncil.org
