

Skills Plus

Learn English with the world's leading English experts and expand your skills for a better future

Course details

The health and safety of our students and teachers is important to us. We are now open for face to face classes at our centres in line with government guidelines. We also have online classes available. A reminder that in the event the situation changes, and we are instructed to suspend face to face classes in line with government guidelines, we will immediately move online.

This course is ideally suited for students who have just completed their A – levels. Skills Plus uses our global material for teenagers and young adults. It is supplemented by life skills aimed at young adults who are making important life choices in their school and work lives.

This course:

- provides an opportunity to meet and interact with like-minded individuals.
- uses project based, active learning techniques to make learning relevant and applicable in real life situations.
- focuses on a range of skills such as delivering presentations, taking part in debates, team building, and critical thinking.

Our inclusion policy

Every student is important to us and we want them to feel comfortable and welcome in our classes. Please [click here](#) to view our inclusion policy on how we make our centres welcoming and easy to use for as many people as possible, especially people who are disabled or have special educational needs.

Raising concerns

Please tell us if you see or experience behaviour or actions at the British Council which you feel:

- affect the safety of children or vulnerable adults
- may be fraudulent
- are harassment.

The British Council is working with Safecall to provide an independent and confidential way to report your concerns.

Safecall will take reports in confidence and you may remain anonymous if you wish.
